

Gain more quality of life without sweat!

Sweating is unpleasant to most people. Occurring in the wrong moment it can lead to embarrassing or unfavourable situations for example in business. The annoying side effects such as smell or blisters at the feet are just as unwanted. Especially now in autumn the latter may spoil the pleasure of hiking. SweatStop® antiperspirants restrain sweat and thus contribute to a crucial improvement in quality of life for many people.

SweatStop® blocks the sweat effectively

SweatStop® are antiperspirants that fight sweat effectively. Contrary to deodorants, which only cover the smell, they get to the root of the problem: The sprays and lotions are based on aluminum salts. They narrow the sweat glands and thus restrain sweat. The products need to be applied in the evening before going to sleep in order to unfold their effect.

Because of its special formulation with ingredients like panthenol or camphor and the optimization of the pH-value SweatStop® is particularly mild and caring to the skin. Some products additionally contain Aloe Vera which ensures an even more gentle application. And if there is no sweat no more annoying side effects like smell, skin irritations, blisters or infections can develop. Besides all products were dermatologically tested and are rated "very good on skin".

Adequate products for every need

SweatStop® offers a particularly broad range of products. There is a suitable solution for almost every individual problem. Products are available in different concentrations for different degrees of sweating. Are you sweating only underarms? In this case the RollOn SweatStop® Basic should be chosen. Do you perspire at hands or feet? SweatStop® Instant will be fit for you. Or do you have a sweating problem particularly at the back? Then the upside down sprays with the special pumping system are suitable.

You can only win with SweatStop®

SweatStop® is available in the internet on www.sweat-stop.com. The ordering procedure is very simple. When entering the gift certificate number 877XY12AQ you get 10% off your next order. With SweatStop® you can only win!
